Nashua, New Hampshire

**Satisfactory Academic Progress of Medical Assisting Program**

St. Joseph School of Nursing employs instructional, advising, and interventional strategies that support student academic achievement of career goals.

A student is considered to be in good standing by maintaining a minimum grade point average of 2.0 for all courses and is earning the required credits toward the completion of their degree.

The Satisfactory Academic Progress policy applies to all students regardless of Title IV financial aid. Students are expected to complete the program within 150% of the published length of the program.
